

PLACEMENT AND PREREQUISITES FOR MATH 101, 102, 105, 106, 108, 109, 110, 111, 120, 125, 139, 140, 150, 151 282 :

Note:

1) Beginning Spring 2020, SIUC no longer offers Intermediate Algebra - Intermediate Algebra. However, if you have taken an Intermediate Algebra course at another college or university that transfers to SIU with a C or better within the last two years, you will be permitted to register for a course in which Intermediate Algebra is a prerequisite. However, the free prep for Math 106 course is recommended (but not required). Contact mathplacement@siu.edu to be enrolled. This course will help you prepare for college level math.

2. For many majors, Math 101 or 102 satisfies the math requirement and college algebra isn't required. However, if students are required to take College Algebra (106/108) , but don't place into College Algebra , they will be required to complete a free online "prep for Math 106" course prior to Jan. 10th (for spring) and Aug. 10th (for fall). The prep course is self-paced (can take 10-25 hours depending on math level) and there are several ways to earn the mastery points required. If completed by the deadline, a student will be allowed to take Math 106 (College Algebra Enhanced).

PLEASE CONTACT MATHPLACEMENT@SIU.EDU IMMEDIATELY IF YOU WOULD LIKE TO TAKE COLLEGE ALGEBRA, BUT DIDN'T PLACE INTO IT.

Test scores below represent raw scores (number of correct answers).

There are 20 questions on each test.

For entry into...	Test 1 score is at least...	AND Test 2 score is at least...	AND Test 3 score is at least...	OR student has <u>C or better</u> in...
Math 101 or Math 102	<10	0		
Math 105 (College of Education only)	12	0		
Math 106 (get Math 108 credit)	12	9		Alternately, a student can complete Math 106 free online prep course
Math 108	12	13	0	
Math 109	12	15	10	Math 108/106
Math 110	12	0	0	
Math 111	12	15	10	
Math 120	12	0	0	
Math 125	12	8	0	Alternately, a student can complete Math 106 free online prep course
Math 139	12	15	8	Math 108/106
Math 140	12	15	8	Math 108/106
Math 282	12	15	8	Math 108/106
Math 151	12	15	10	Math 106/108 and 109 OR Math 111
Math 150	12	15	14	Math 106/108 & 109 OR Math 111

If a student earns C-, D, F, or WF in the prerequisite course, the student **MUST** repeat the prerequisite course (and must meet placement requirements for that prerequisite). Entry into the next course by way of a placement test is not an option in this case.

In other words, a grade less than C in the prerequisite course trumps any placement score.
