

February 6, 2026

Dear Math Teacher,

We are glad your school will participate in Math Field Day 2026 and look forward to seeing you and your students on Tuesday, March 24th. You will register your students using a shared link in Google Sheets. I will share the document with the email address listed on the Attendance form. If you haven't received an email with this link, please let me know.

This link is only shared with the Mathematics Department and your school. Below is a sample registration form.

Code	School	Class	ID	First Name	Last Name
99	My School	Freshman	9911	Mary	Jones
99	My School	Freshman	9912		
99	My School	Freshman	9913		
99	My School	Freshman	9914		
99	My School	Freshman	9915		
99	My School	Freshman	9916		
99	My School	Freshman	9917		
99	My School	Freshman	9918		
99	My School	Sophomore	9921	Jake	Hall
99	My School	Sophomore	9922		
99	My School	Sophomore	9923		
99	My School	Sophomore	9924		
99	My School	Sophomore	9925		
99	My School	Sophomore	9926		
99	My School	Sophomore	9927		
99	My School	Sophomore	9928		
99	My School	Junior	9931	Bob	Smith
99	My School	Junior	9932		
99	My School	Junior	9933		
99	My School	Junior	9934		
99	My School	Junior	9935		
99	My School	Junior	9936		
99	My School	Junior	9937		
99	My School	Junior	9938		
99	My School	Senior	9941	Kay	Brown
99	My School	Senior	9942		
99	My School	Senior	9943		
99	My School	Senior	9944		
99	My School	Senior	9945		
99	My School	Senior	9946		
99	My School	Senior	9947		
99	My School	Senior	9948		

The first column is your school code, the second column is your school name, and the third column is the student's grade (enter only freshmen in the blue area, sophomores in the green area, juniors in the orange area, and seniors in the pink area). The fourth column is that particular student's ID. Enter the student's first name in the fifth column, and last name in the sixth column.

Examples:

- Mary Jones is a freshman at My School. The ID code she needs to enter on her scantron is 9911.
- Jake Hall is a sophomore at My School. The ID code he needs to enter on his scantron is 9921.
- Bob Smith is a junior at My School. The ID code he needs to enter on his scantron is 9931.
- Kay Brown is a senior at My School. The ID code she needs to enter on her scantron is 9941.

The first four columns are already set up for your school. Please leave these columns the same.

- Please enter your team data by Friday, March 13th, so that we will know how many exams to duplicate.
- **You can update names on this form any time before noon on Friday, March 20th. If you need to make changes after that, please contact me for assistance.**
- You may enter up to eight students in any one grade.

Please be patient as we are still working on the day's itinerary. Once it is ready, I will send a new update with the information you will need for Math Field Day. Thank you so much.

We plan to hold the Award Ceremony at 1:00 pm instead of 2:00 pm this year, thanks to our successful implementation of the new grading system. We hope to see more attendance at the ceremony.

We look forward to seeing you in March. If you have any questions or concerns, please feel free to email me at mathfd@siu.edu or jeaniffer.carman@siu.edu.

Sincerely,

Jeaniffer Carman
Office Manager SMSS
